

Elementary Rustler News

OCTOBER

PARENT TEACHER CONFERENCES

Thank you so much for attending conferences. We appreciate the relationships that we have with our families, and it was wonderful to see so many of you!

WARM CLOTHING

Fall is a wonderful time of year, but as the weather gets colder we need to make sure that students bring the proper outerwear to school to stay warm at recess. If your family is having financial difficulty with purchasing winter gear, please contact Mrs. Boomsma-Kelsey.

LUNCH

Please remember that if your child is on the free/reduced lunch program, there is a fee for "seconds". We are encouraging students to try all of the foods on their plates and to eat most of what is on their plates before they go back for seconds.

If you did not fill out a Free and Reduced Lunch form and would like to, please contact Mrs. Boomsma-Kelsey. The more families we have that fill out the forms and qualify bring more funding to our school, so we appreciate your time and assistance!

ICU

We have started ICU for our upper elementary students, where they work in a structured setting from 3:30-4:00 on homework, Reading Plus, and receive assistance as needed. Thank you for the support of your child's education!

ATTENDANCE AND TARDINESS

The best way to you can keep your children in school is to take an active interest. Talk to your children about their schoolwork and convey the importance of education in their lives. We want all of our students to have a great start to each day, and arriving early or on time helps them to have that. Students go to their classrooms at 8:20 to get settled in before we recite the Pledge of Allegiance, take lunch counts, and announce birthdays. After we take care of these items, we hit the ground running at 8:30. Please work hard to get your child to school by 8:20. Thank you!

HALLOWEEN

Please remember that students will not be wearing masks, face paint, or costumes at school for Halloween. Teachers have fun activities planned for their students that day, and your child will be able to bring treats for his/her class if you would like to send them. Please contact your child's classroom if you have any questions.

THANK YOU

 Facebook

October 5th is World Teacher Day. Thank you to all of our educators that work hard every day for the betterment of our students!

A teacher takes a hand, opens a mind, and changes a heart.
